

Wycombe Wanderers 7, Bromley 0

A THREE goal broadside in 13 minutes from Wycombe's sharp shooter, Mickey Holifield, completely sunk Bromley without trace at Loakes Park on Saturday.

The Kent side's defence proved hopelessly inadequate to deal with Wycombe's voracious strikers who carried the side to their second seven goal bonanza within six weeks.

Wycombe opened the scoring in the third minute after a defensive error coupled with poor goalkeeping, presented Tony Price with an easy goal.

A Keith Mead free kick was mistakenly back headed by Rains, and Parsons, in the Bromley goal failed to make sure of it first time and Price opened the Wycombe account with a simple goal.

Six minutes later Mickey Holifield caught the 'keeper out of position when he pulled back a swerving cross ball which Steve Perrin back headed over the stranded 'keeper to give Wycombe a commanding lead.

Wycombe's barrage started just 15 minutes into the second half when Tony Price put Horseman away and he cleverly switched the ball inside for Steve Perrin to slam home.

A minute later Holifield got the first of his lightning hat trick. Collecting the ball just inside the Bromley half, he took on and beat the Bromley defence before sliding it under the diving 'keeper and in off the far post.

Two goals in two minutes completely stunned the Bromley side and they were never given the chance to recover by a goal hungry Wycombe side and in the 72nd minute they found themselves five down.

Tony Horseman made the goal, getting behind the Bromley defence and then turning back a neat little chip, but Mickey Holifield finished it off in grand style with a powerful 25 yard shot which, although the 'keeper got a hand to it, he was unable to stop it crashing into the back netting.

Two minutes later Holifield completed his hat-trick. This time it was the hard working Perrin who set it up. Showing that he too could outpace the Bromley defence, he took the ball to the line before pulling it back for Holifield who gave the 'keeper no chance with a low, powerful drive.

But Keith Mead made no mistake in the 82nd minute when he scored his first goal for the club. Roger Grant floated over a high ball from the corner flag and Keith Mead rose way above the Bromley defence to send a powerful header flashing into the net and end Wycombe's goal bonanza.
